Independent Auditor's Report on Financial Statements

September 30, 2016

Board of Directors
Emergency Food Network, Inc.
Charlottesville, Virginia

We have audited the accompanying financial statements of Emergency Food Network, Inc. (a nonprofit organization) which comprise the statement of assets, liabilities, and net assets – modified cash basis as of February 29, 2016, and the related statements of support, revenue, and expenses – modified cash basis, functional expenses – modified cash basis, and cash flow – modified cash basis for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting polices used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

As described in the notes to the financial statements, Emergency Food Network, Inc. prepares its financial statements on the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities and net assets – modified cash basis of Emergency Food Network, Inc., as of February 29, 2016, and its support, revenue, and expenses – modified cash basis, functional expenses – modified cash basis, and cash flows – modified cash basis for the year then ended on the basis of accounting described in the notes to the financial statements.

Basis of Accounting

As described in Note 2, the Organization prepares its financial statements on the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

A handwritten signature in black ink that reads "Host Stott CPA". The signature is written in a cursive, somewhat stylized font.

EMERGENCY FOOD NETWORK, INC.
Notes to the Financial Statements
For the Year Ending February 29, 2016

Note 1 - Nature of the Organization

Emergency Food Network, Inc. is an organization primarily run by volunteers that provides a three-day supply of nutritionally balanced food to needy people. The primary revenue sources are cash and noncash donations from individuals, foundations, organizations and businesses.

Note 2 - Basis of Accounting

The organization reports its financial statements using the modified cash method, which is a comprehensive basis of accounting other than generally accepted accounting principles. This method differs from GAAP in that grant income and contributions are recognized when received rather than when earned or promised. Therefore no pledges or grants receivable are reported in the financial statements. Additionally, furniture and equipment is expensed in the year purchased, and noncash donations are not recognized in the financial statements.

Accounting Estimates

The preparation of financial statements in conformity with the cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from the estimates.

Cash and Cash Equivalents

The organization considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents. Gift cards held are also considered cash equivalents. The carrying amounts reported in the statement of financial position approximate its fair values. At year end, cash and cash equivalents consist of the following:

Checking	\$112,402

Total Cash and Cash Equivalents	\$112,402

Beneficial Interest in Agency Fund Held by Third Party

The Organization is the beneficiary under a Designated Agency Fund Agreement with Charlottesville Area Community Foundation. The agency fund has been recorded in accordance with generally accepted accounting principles, which state that if a community foundation receives assets from a nonprofit organization that specifies itself or its affiliate as the beneficiary, the transfer is not a contribution received by the community foundation even if the variance power is explicitly stated in the gift instrument. The assets of the fund are included in the statement of financial position as a beneficial interest in agency fund held by third party. Distributions are to be paid as agreed upon by the two organizations. In addition, the fund is charged a quarterly administrative fee of .5% of the fund balance.

EMERGENCY FOOD NETWORK, INC.
Notes to the Financial Statements
For the Year Ending February 29, 2016

Note 2 - Basis of Accounting (continued)**Investments**

The Organization reports investments in marketable equity securities and mutual or money market fund securities with readily determinable fair values are recorded at fair value. Fair value is established based on quoted prices from recognized securities exchanges. Dividend income and Unrealized gains and losses on investments are reported in the statement of support, revenues, and expenses – modified cash basis.

Property and Equipment

Emergency Food Network, Inc. owns furniture and equipment for use in operations including a small freezer, two refrigerators, shelving, and miscellaneous furniture and office equipment. Additionally, building improvements were made to the storage facility at Meadows Presbyterian Church in 1990. The historical cost of these items is not reported in this statement as it would be under GAAP. The items were expensed when purchased, rather than capitalized and depreciated over their useful lives as they would be under GAAP.

Inventory

The organization holds food and other consumables in stock. The cost of these items in stock at year end would be reported under GAAP, but are not reported under this method.

Net Assets

Unrestricted net assets result from unexpended funds received from funding sources that impose no time or usage restrictions. At year end, the organization had unrestricted net assets of \$344,965.

Temporarily restricted net assets result from unexpended revenues subject to donor-imposed restrictions as to time and/or purpose of usage. At year end, the organization had no funds in temporarily restricted net assets.

Permanently restricted net assets result from donations, the principal of which are restricted by the donor to be held indefinitely. There were no permanently restricted net assets at year end.

Noncash contributions

The organization received donations of approximately 3,305 bags of food during the year. They also were given the use of approximately 1,080 square feet of facility space, the value of which is not recorded in this statement as it would be under GAAP.

Note 3 - Income Taxes

The organization is a corporation that is exempt from income taxes on all exempt-purpose earnings under Section 509(a)(1) and 170(b)(A)(vi) of the Internal Revenue Code per letter of November 5, 1975. The corporation is not a private foundation. The federal income tax returns for fiscal year 2012 and forward are subject to examination by the Internal Revenue Service.

EMERGENCY FOOD NETWORK, INC.
Notes to the Financial Statements
For the Year Ending February 29, 2016

Note 4 - Facility Lease

The organization has entered into a lease for 900 square feet of commercial space requiring monthly payments of \$1,000 per month. The three year term, ending on June 30, 2015, provides for two additional one-year renewal options at an increased rate of 5%. Rent expense, including related utilities expense, for the fiscal year was \$13,930. There are no future minimum lease commitments as of fiscal year ended February, 29, 2016

Note 5 - Functional Allocation of Expenses

The organization allocates its expenses among program services and supporting services in the Statement of Functional Expenses – Modified Cash Basis. Allocations are made based on the specific purpose of each expense or by the percentage of time spent by employees on each type of service. These allocations involve estimations made by management.

Note 6 - Concentration of Risk

The Federal Deposit Insurance Corporation (FDIC) insures account balances up to \$250,000 at a banking institution. From time to time during the year, the balances held at the bank does not exceed this limit. Investment and Beneficial interest balances of the Organization are not FDIC insured.

Note 7 – Fair Value of Financial Instruments

The Financial Accounting Standards Board Codification of Accounting Standards Topics 820 and 825 established a framework for measuring fair value under accounting principles generally accepted in the United States of America. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 – Quoted prices in active markets for identical assets the Organization has the ability to access at the measurement date. These types of quoted prices would include publicly traded securities.

Level 2 – Pricing inputs (other than quoted prices included in Level 1) that are observable for the asset, either directly or indirectly. Observable inputs are those that reflect the assumptions market participants would use in pricing the asset developed based on market date obtained from sources independent of the Organization. These types of sources would include quoted prices for similar assets, models or other valuation methodologies.

Level 3 – Pricing inputs that are unobservable for the asset. Unobservable inputs are those that reflect management's assumptions about the assumptions that market participants would use in pricing the asset developed based on the best information available.

The carrying amounts for Cash reported in the statement of financial position approximate fair values.

EMERGENCY FOOD NETWORK, INC.
 Notes to the Financial Statements
 For the Year Ending February 29, 2016

Note 7 – Fair Value of Financial Instruments (Continued)

The following table sets forth, by level, within the fair value hierarchy, amounts recorded in the Organization’s financial statements at fair value as of February 29, 2016:

	Fair Value	Level 1	Level 3
Checking and Savings	\$112,402	\$112,402	
Investments	114,841	114,841	
Beneficial interest	118,056		\$118,056
Payroll Liabilities	334	334	

The Level 3 assets represent a beneficial interest in amounts invested in Charlottesville Area Community Foundation’s (CACF) investment pool. The valuation of this investment is based upon the inputs used by CACF to value the underlying assets. The following table provides further details of the Level 3 fair value measurements at February 28, 2015:

Beneficial interest, beginning of year.....	\$ 126,948
Change in value of beneficial interest:	
Contributions to the fund	(...)
Investment returns (losses)	(8,892)
Administrative fee.....	(...)
Beneficial interest, end of year.....	<u>\$118,056</u>

Note 8 - Commitments

Emergency Food Network, Inc. has entered into several contracts with other charitable organizations in which it promises to provide money on a monthly basis for the purchase of food for their respective clients. As of February 29, 2016, within the coming 2017 fiscal year Emergency Food Network has a committed funds balance of \$3,806.

Note 9 - Subsequent Events

The Organization has evaluated events and transactions for potential recognition or disclosure in the financial statements through September 30, 2016, which is the date that the financial statements were available to be issued. No other subsequent events have been recognized or disclosed.
